EXISTING CONTROLS covered by information held

Operators to site Wooden Giant Games away from naked flames and forbid smoking on or around the equipment

2m space is kept clear all around the game enabling the blocks to fall safely - monitored by AR Ents Staff

All blocks edges are sanded to to a smooth finish

Ensure safe and clear space for throwing the darts

None

Smooth plastic poles are used with rounded ends.

Players are told the rules & objectives which include placing poles in the bin when not in use. Monitored by AR Ents staff.

All balls are contained in the wire cage, base or plastic dustbin at all times.

Spectators are kept out of the Flight Path of Wellies

12V system used & an insulated handle.

Metal guttering surrounds the alley to contain all the balls.

Higher at the bank where bounce risk may be higher

Stocks to be lowered gently onto the participant

If the wind becomes a persistant problem, lower to the ground.

Players are told how to play and safe practice stay within the cones to ensure others are not run into.

Players to keep cues and balls located together and not flying off the table

Ensure legs are securely in place

Ensure safe and securely fastened

Ensure the tennis darts and plastic arrows are kept within the designated area.
