

Lily Pads

Equipment Required

	No. required	Comment
Lily Pads	1 per person	
Marker Cones	4	

Set Up / Assembly

1. Flat grass or tarmac
2. Set up start and finish lines approximately 15m apart

Operator Instructions

1. Teams are split up into two equal groups. Each team member gets a lily pad.
2. Objective is to get your team *with as many lily pads as possible* across the finish line. NB this ISN'T a race, but teams will generally infer that it is, leading to mistakes...
3. Only the lily pads may touch the floor – if a team member touches the floor, they have to go back to the start (just the individual)
4. If a lily pad is left untouched (i.e. no one's hand / foot on it) the instructor can steal it

I have read and fully understand the risk assessment, assembly, operating & briefing instructions and any other safety procedures in relation to:
