LIST OF SIGNIFICANT HAZARDS

GROUPS AT RISK

EXISTING CONTROLS covered by information held

Fire	Participants Crowd/Operator	Operators to site stall away from naked flames and forbid smoking on and around the stall.
Stall tipping over	Participants Crowd/opperator	When on grass the Stall is always pegged, if on concrete adequate sandbags are used to prevent movement.
Electric shock	Operator	Electrical units are visually inspected for obvious faults, fused Ext. cables are used and equipment is P.A.T. tested once a year.
Injury caused by contact with other participants/balls or bean bags	Participants	Operator to allow 4 participants at any one time and instruct them to only throw forwards into the stall. Operator to make sure spectators stand behind participants.

I have read, understand and am fully trained and confident to operate and supervise the Fair ground stalls and understand the risk assesment, assembly & operating instructions and any other safety procedures in relation to the side stalls
