Assembly instructions:

1. Hand Controls, PS3, TV ALL MUST MATCH A or C markings, as hand controls are tuned to individual PS3 units.
2. Erect TV stand in required position, ensuring all bolts are tight.
3. 2 persons to lift the TV direct from flight case to stand & secure with small pins through brackets.
4. Erect table & crowd barrier if required.
5. PS3 to be secured behind TV & plugged in & wires tie wrapped & taped down.
6. PS3 Camera to be mounted on top of TV using camera bracket & plugged into PS3 USB port
7. Controllers to be charged by plugging into either PS3 using USB cables or TV USB ports (PS3 must be switched on)
8. **TV not to be left switch on with a static picture as this will damage TV screen**

Operating instructions:

1. Ensure only participants are the only people in the play zone at any time.
2. Instruct participants on the safe use of the controller & game objectives.
3. All drinks to kept out of play zone.
4. Must wear wrist straps at all times.
5. **TV not to be left switch on with a static picture as this will damage TV screen**

TV & Flight case to be securely strapped down & brakes applied when in transit

I am fully trained and confident in operating the **Virtual Sports**, and understand the risk assessments, assembly instructions and operating instructions, and any other safety procedures related to the Virtual Sports
